

# Wild Summer LAMMINTUPA

## 4 DAYS SUMMER PACKAGE

FOR GROUPS AND TOUR OPERATORS

Duration 4 days

Available May-October

### DAY 1 ARRIVAL

#### Arrival at Kuusamo Airport

Welcome to the north!

Be greeted by your personal guide and local reindeer herder with his dear animal.

Private bus transfer from airport straight to hotel. Then its time to hike towards Finnish forest with Nordic poles. When you can hear the eager huskys barking, you know you have reached the right location.

#### Welcome Programme at Lammintupa hut

Welcome drinks are served by open fire and magical feeling inside original Finnish hut will satisfy your hunger and feed your soul. A crackling fire in a Lappish hut creates an atmosphere of warmth and comfort. Sitting on a reindeerhide you can relax and let go. The bowl of steaming hot soup will awaken your senses and genuine tasty

home cooked meal will fill you with pleasure.

As dessert enjoy Finnish coffee prepared over open fire and hear soft traditional tones sung in the nature.

Breathe the clean air and admire the beauty of sun, its time of the nightless night, when sun never sets. Then its time to head back to hotel and admire the beauty of nature and lakes on the way. Now you see Finland is truly a land of thousand lakes!

### DAY 2 BEAR WATCHING IN RUSSIAN BORDER

#### Tastes of the North -breakfast

Enjoy a reinvigorating breakfast filled with local tastes.

Canoeing to Russian border

Adventure starts from the hotel. The excitement grows on the way to starting point, which is the local small village Experience the spell of Oulanka national park by paddling through the canyons, gorges, streams and beautiful riverbanks in a steady Indian canoe. Your guide will

lead you through the stunning river formed buy waters flowing from the melting ice age covers.

On the way we will stop for lunch. When returning to shore, take a swim in the refreshing river before canoeing all the way to Russian border.

#### Bear watching in Russian border and photographing

Now you have time to relax on the way to next adventure. First listen the guides instructions carefully. Spend a safe and exciting evening in the company of forest wildlife at Karhutupa Log Cabin, which is located in the vicinity of the Russian border. Also other wildlife can be seen , like sea eagles. If you want to see the king of the forest, remember not to wear strong perfumes or odors. Enjoy the silence and the thrilling atmosphere. Dont forget to take pictures to make your friends jelous, bears might come as near as 3 meters from you!

### Magical night in Magical Pond, glass igloos

Once in a lifetime experience. Lay your head down close to nature in a cozy igloos with huge windows that will give you the perfect chance to admire the nightless night. Dinner will be brought to you and you can enjoy it in your own privacy.

## DAY 3 WITH HUSKYS AND REINDEER

### Tastes of the Wild -breakfast

Wake up to the sounds of silence and enjoy breakfast surrounded by a clear lake, untouched forests and the cleanest air in the world.

### Day with huskys and reindeer

You have the perfect change to get to know the daily chores of husky and reindeer herder. In the huskyfarm you may feed the dogs, learn how to put the dog harness and of course take a hike with the dogs. With the reindeers you can learn how to throw the Lappish lasso and feed the reindeer with baby bottles. How cute is that!

Walking in the middle of reindeer herd gives you an authentic Finnish experience. Don't forget to hug your new friends before you enjoy lunch by open fire.

After enjoying a full day outdoors try a smoke Sauna, a traditional Finnish Sauna. Experience the reinvigorating power of the heat, that softens your muscles and remove stress! Swim in the lake and fry sausages, enjoy beverages!

### Gala dinner at Lammintupa restaurant

Last night is enjoyed in the magical restaurant. The venues cozy atmosphere offers a mystical evening with delicious Finnish wild food. Our wilderness chef has prepared a traditional three course dinner from the local ingredients. Live music will lift your spirit to sky. Before returning to hotel you can visit our famous and lively music bars in the centre of Ruka village.

## DAY 4 RETURNING HOME

### Tastes of Kuusamo

Prepare to return home after a resetting and empowering holiday. Share experiences with your group of your holiday experience through viewing photos from the week.

### Master of fishing

Before leaving home you have to try fishing on a lake. Local fisherman takes you to the best places and teach you the secrets of lure and net fishing. Relaxing time on the lake and if you are lucky you may catch a fish but the excitement will surely make you hungry but that is easily fixed as we enjoy campfire lunch outdoors and share experiences before going to airport!

Return home with unforeseen energy and a thousand dreams of visiting northern Finland again.
