

Winter Village LAMMINTUPA

4 DAYS WINTER PACKAGE

FOR GROUPS AND TOUR OPERATORS

Duration 4 days

Available May-October

Day 1 Arrival at Kuusamo Airport

Welcome to the north!

Be greeted by your personal guide. Equipping in winter outfits and private bus transfer to accommodation begins. Then its time to enjoy sleighride pulled by snowmobile through magical landscape that leads you in the middle of forest. Local reindeer herder with few reindeers welcomes you in magical Lammintupa Winter Willag where you can hear the huskys greeting you with enthusiastic barking.

Welcome Progamme at Lappish Hut

Wellcome drinks are served by open fire from a traditional Finnish cups called Kuksas, made from wood.

Local treats and wilderness menu to satisfy your hunger and feed your soul. A crackling fire in a Lappish hut creates an atmosphere of warmth

and comfort. Sitting on a reindeerhide you can relax and let go. The bowl of steaming hot soup will awaken your senses and genuine tasty home cooked meal will fill you with pleasure.

As dessert enjoy Finnish coffee prepared over open fire and hear soft traditional tones sung in the nature.

Breathe the clean air and admire the beauty of trees covered by snow. Then its time to head back to hotel and admire the beauty of snowy forest on the way.

DAY 2 Arctic Adventures and Speed

Tastes of the North -breakfast

Enjoy a reinvigorating breakfast filled with local tastes.

Snowmobile adventure

The fun starts by equipping in winter outfits for the safari. Our experienced guides will give you a short lesson on snowmobiling before heading to forest. On the way we will stop for a campfire

lunch enjoyed from local delecacies. You can hear the fire cracking as the smoke rises to the sky.

Ice karting competition

Now its time for fun! The snowmobile journey continues to ice track and the fun can start! Exciting competition on an Ice Karting track. Icy track is over 500m long, with best car equipment and driving gear. First of some warming up laps, after that driving for time and fastest ones gets to compete in the finals. Those waiting for their turn can have fun competing in different tasks, skills that you require surviving in the wilderness, such as making fire and boiling water, sawing wood, throwing lasso, eventually the winner team is found!

Spending the whole day out, the best way to relax is in the heat of traditional Finnish Smoke sauna. Bus will take you warmly to enjoy relaxing sauna experience, not to be missed. After sauna you are ready to enjoy the beauty of the night.

Magical night in Magical Pond, glass igloos

Once in a lifetime experience. Lay your head down close to nature in a cozy igloos with huge windows that will give you the perfect chance to admire the northern lights if you are lucky. Dinner will be brought to you and you can enjoy it in your own privacy.

DAY 3 WITH HUSKYS AND REINDEER

Tastes of the Wild -breakfast

Wake up and enjoy breakfast and spend a morning without hurry and stress. Today can be the most exciting. Sleighride will wait for you through icy lake, untouched forests and the cleanest air in the world.

Full Day experience with huskys and reindeer

Experience how it feels to sit in a sledge pulled by an eager team of husky dogs. The route goes through snowy forest. Lunch will be enjoyed in a hut.

Then its time to have new friends. At the reindeerfarm an authentic reindeer herder tells about his daily chores and also about his heard. You can also feed the reindeer and sit in a sledge pulled by a reindeer, just like Santa Claus.

Full day of excitement requires a little time to rest in hotel before unforgettable gala dinner.

Gala dinner at Lammintupa restaurant

Last night is enjoyed in the magical restaurant. Now you can leave the hectic life behind you. The venues cozy atmosphere makes it suitable for smaller groups as well. It offers a mystical evening with delicious Finnish wild food. Our wilderness chef has prepared a traditional three course dinner from the local ingredients. Live music will lift your spirit to sky. Before returning to hotel you can visit our famous and lively music bars in the centre of Ruka village.

DAY 4 RETURNING HOME

Tastes of Kuusamo

Prepare to return home after a resetting and empowering holiday. Share experiences with your group of your holiday experience through viewing photos from the week.

Snowshoeing to icefishing

But before returning home, you have to experience snowshoeing in deep snow. Local fisherman will help you to know the secrets of ice fishing. If you are lucky you may cats a fish , but salmon soup will be served just in case.

Return home with unforeseen energy and a thousand dreams of visiting northern Finland again.
